Seneschals Report

Greetings Unto the Populace of Caerthe,

As the Gregorian year comes to an end, another opportunity is offered to reflect on the recent past. It is also a time to set goals for the near future. I'm going to do neither.

Instead, I'm going to take a break thematically from my normal missives in this space to simply wish everyone well. Whether you celebrate a solemn holiday, a joyous one, a reflective one, an amalgam of the aforementioned, or you do not celebrate any holiday, may your day be great. I hope that you, your family, and those whom you hold dear have good fortune and happiness!

If you are looking for ways to share in the camaraderie of your fellow SCAdians then I encourage you to venture to Hawks Hollow's Yule on Dec. 16. If you would instead prefer to quietly reflect on the good times you've had in the SCA, then I encourage you to visit the grove of English Oak Trees recently planted at Cornerstone Park in Baron Patric's honor. Mostly, however, I want to encourage you.

It continues to be my honor and privilege to serve as seneschal.

YIS,

THL Jethro Stille
Seneschal of Caerthe

Good morning the Honorable Lord Suleiman,

I hope to find the most generous and gracious lord in Jerusalem well and in good spirits this day.

I have just enjoyed reading your most welcome letter over a wonderful breakfast of barley, oats and honey [1]. The light ale that I had was a most fruity flavored one and I believe you might enjoy it also if you could partake of such.

But enough of my chatting – on to your most informative letter.

My beloved is well and as yet has not been called away! Thank you for your concern.

It does not seem three years since we have seen each other – time does pass quickly. I do wish at some time to see your wondrous city of Jerusalem! Enjoy the celebrations and think of me while there so that I get to be with you in spirit as you enjoy the time!

Eid Mubarak[3] on your new nephew Shihab! I am so excited for you! Would that I had met your lovely bride, Rahil, while you were in Swabia…I pray that she is well.

As to your dilemma, in trying to come to a decision on good advice to give you, places me in a dilemma also. I understand in you religion you are allowed to have more than one wife, but in mine we are allowed one spouse for life[2]. In saying this, I have done much research on your beliefs and have decided this…

I would suggest writing to your lovely Rahil, ask her thoughts on the issue. Perhaps she can find a way to move her departure for Jerusalem up and thus solve the issue that you are having. Or if not, perhaps she will be understanding in your feelings and be able to suggest someone near you that she knows of ready for a marriage, knowing that they would be a "second wife' for you. My hopes and prayers are with you in this time of quandary that you can find a solution that goes well with both you and your lovely Rahil.

I must sign off for now and get the day started – My plans for the day are to go into Augsburg for the Market day[2] they are having in hopes of finding some new goose feathers to make new fletching for my arrows so that I can get in some target shooting with my bow. My adopted father, Rand of Oakshollow, will be here from Hungary this week to see my equestrian training. I have heard that our Dukem John Parricide, has traveled across the Alps to visit a monastery in Pisa[2] – I will look forward to hearing from you soon!

Respectfully yours,
Drahomira von Augsburg
